***A Trunk or Treat is a Halloween event that is often community-sponsored. People gather and park their cars in a large parking lot. They open their trunks, or the backs of their vehicles, and decorate them. Then they pass out candy from their trunks. The event provides a safe family environment for trick or treaters.***

***When it comes to decorating your vehicle there are the obvious choices, like decorating for Halloween, using pumpkins, spider webbing, spiders, brooms, bats, cauldrons, scary stuff...***

***The best way to plan your trunk is to pick a theme. Think of it like dressing yourself in a costume. Pick a theme and throw things together. Here are some ideas:***

***'70's themed- Throw down some shag rug, hang a disco ball, Disco music, Dress in 70's garb and you're set to go! So you could also do 50's, 60's or 80's too.***

***Mother Goose- Have a few little settings around the trunk representing different nursery rhymes.***

***Circus- You can dress as a clown and fill your trunk with balloons.***

***Zookeeper- have lots of stuffed animals set about.***

***Beach or Luau theme- Open up the back of the vehicle, hang some towels and set up a boogie board against the door, set out beach chairs, use an umbrella. There are tons of things you could do with this. Wear your bathing suit over your clothes...the kids would think that's a riot.***

***NASCAR Theme - Display all your souvenirs***

***Fiesta Theme***

***Harvest Theme***

***Sports Theme (pick a sport) - Team displays are popular***

***Popular Kid's Themes: Sesame Street, Dora the Explorer, Disney***

***Animal Themes***

***Movie Themes***

***Western Theme***

***Camping Out theme***

***Christmas (or other holiday) Theme***

***Gone Fishing Theme***

***Pirate Theme***

***Princess Theme***

***Don't forget about a costume for yourself. The best and most interesting trunks have their owners dressed to match the theme.***
